

06/06/2019

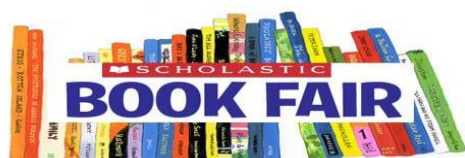

Dear Parents/carers.

Upcoming Events & Activities

Monday 10th June

Reception classes are going to Maryport Aquarium.

Please ensure your child is in on time and wearing full school uniform.

The book fair is in school from Friday 7th at 8.50am and 3pm until Thursday 13th June 8.50am only. Please come along and with your children to have a look at the wonderful selection of books for sale.

Junior School Tour.

On Monday 10th June year 2 pupils are invited to take children over to the junior school for a transition tour. Children will return to the infant school in time for lunch.

Year 2 Trip to Silloth

Wednesday 12th June year 2 pupils are going on a trip to Silloth. can parents please ensure children are in school on time in full school uniform.

Celebration of Art Open Afternoon

Friday 14th June

Parents/carers are invited to come and celebrate all the children's art work. Starts at 2pm all welcome.

Year 2 Drop off

Please can you support your child for the transition to junior school by allowing them to enter the cloakroom/classroom independently. Parents can still come into the classroom to pay milk, juice trip money. Or if you require to speak to the teacher.

Carnegie Tickets for Summer Show

Tickets for the summer show will go on sale in the Nursery on Tuesday 11th June for the 1st performance only.

Tickets for both performances will be on sale from Monday 17th June from the school office.

Tickets are £5 each.

Nursery

2 Year Olds

We have been busy preparing for the upcoming Art Exhibition in school; we are collaborating to make a 3d model of Annie Pit.

The children have been learning about the Seaside and we have been exploring the texture of wet and dry sand.

The children have all had a fantastic sports day and enjoyed taking part in the different activities.

A big thank you to all the parents/carers who came along to support your child and join in the fun. The staff have all said it was the best sports day they have ever done.

3 Year Olds

The children have been persevering to explore a variety of media and materials this week. The children are using their noticing skills to identify detailed features of their environment. The children are making a 3D model of the clock located in the town centre hub. They are also using their fine motor skills to create representations of the Cenotaph in Vulcans Park and Navvies Bridge. This art work will be on display in the school hall as a part of the Arts Celebration next week. The children have also thoroughly enjoyed collaborating for Sports Day this week. The children persevered to take part in all events and they tried their best. It was fantastic to see such an excellent turn out of parents supporting the event. We all had a brilliant time!

Reception

This week in Reception the children have been looking at their new topic book "Commotion in the Ocean". They have been looking at features of sea creatures and listening carefully to rhyming words in the book. In maths the children have been learning how to double numbers working with their own choice of resources to be like "Cathy the capitalizing cat". The children are continuing to practice their Carnegie performance in dance lessons and enjoyed their singing session with Happy Hannah where they were singing songs about "under the sea". The children are looking forward to their school trip to Maryport Aquarium on Monday.

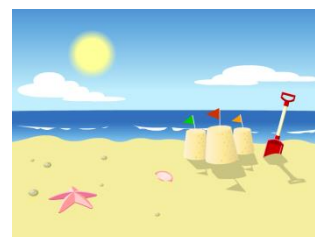

Year 1

This week year 1 have been working very hard. They have been introduced to our new topic 'Who are the Lowthers?' and are very excited to go on our trip this term. The children have been looking at dragons and using their imagination like Indie the Indian elephant to create their own dragon. In Maths, the children have been like Ronny the reasoning Rhino to explain about money and now we have moved onto capacity. The children have been learning about what Lowther Castle is and what Hanukkah is, by being like Quince the Questioning Bee to ask questions to gain information. Well done year 1 for a great first week back!

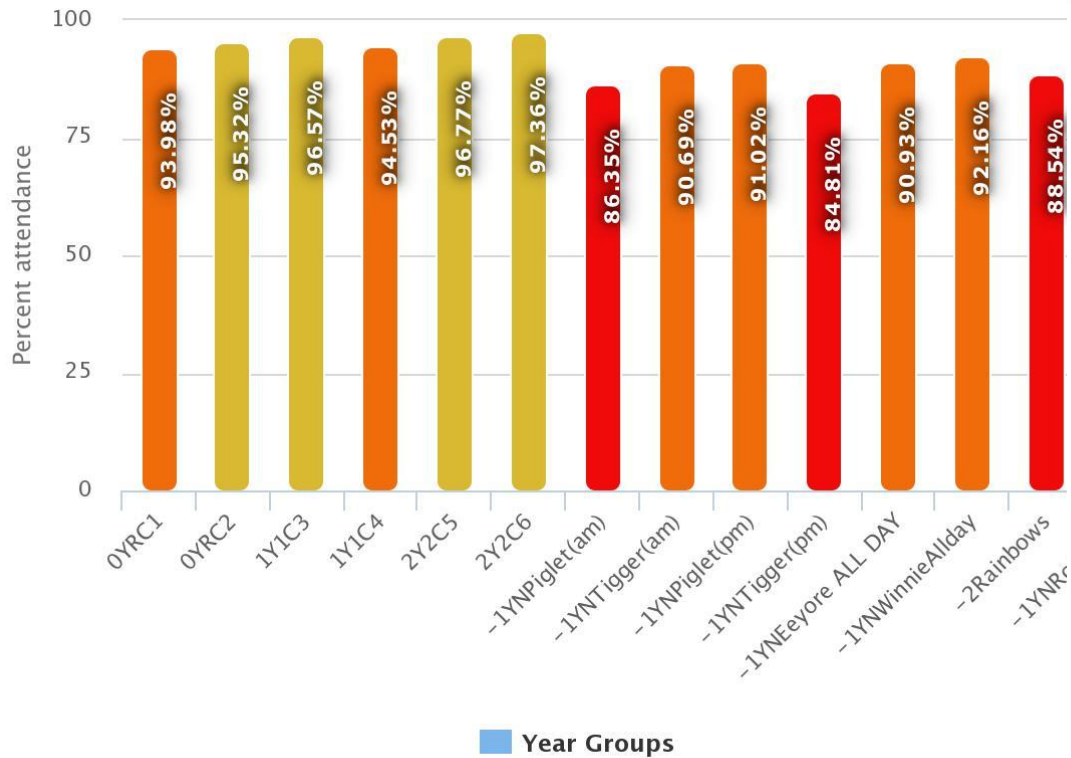

Year 2

For our new topic this term, 'Why do we love to be beside the seaside?' We received an interesting letter from Beaky the Seagull who had hidden some shells outside for us to find. When we had found all of them we wrote a letter back to Beaky using our questioning skills to help us find out more about the seaside. We had fun with the tennis coach practicing our skills using the racket to control the ball. As geographers we have been locating seaside resorts around the British Isles and looking at the different features of a seaside resort. We have also been working hard in mathematics using our reasoning skills to help us learn about telling the time. In spellings this week we have been learning about using an apostrophe to spell contracted words. As part of our enterprise project we used our art skills to create our own beach bags which we really thoroughly enjoyed.

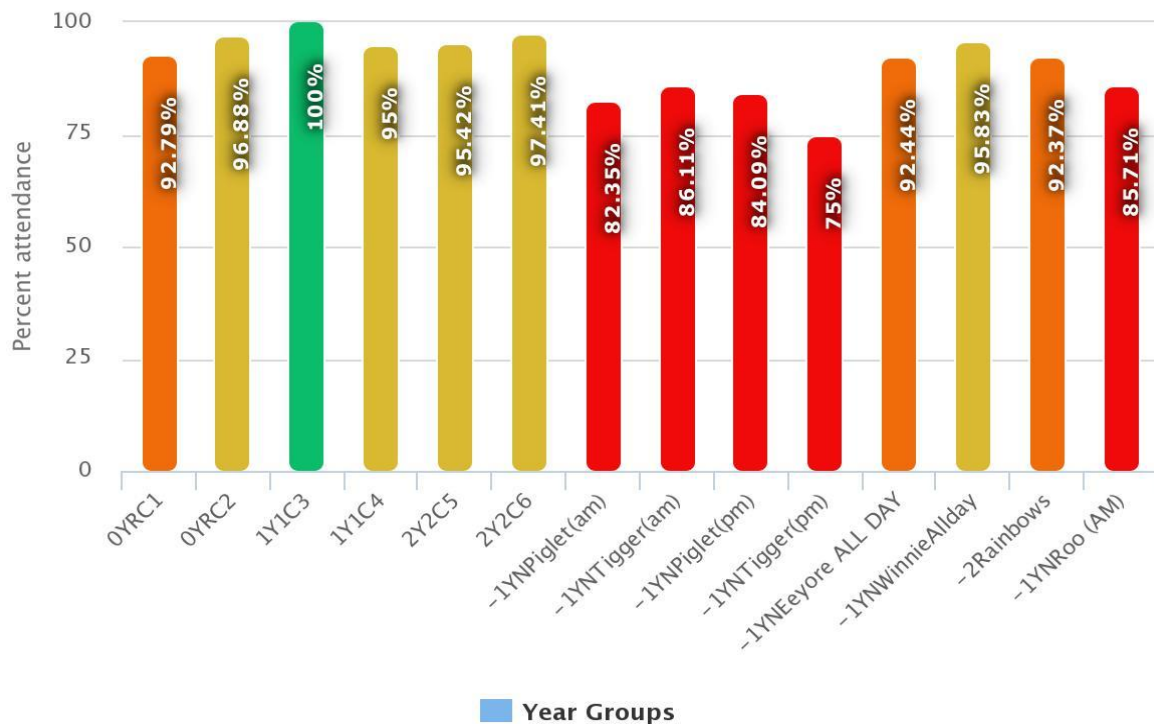

Whole School Attendance 3rd September – 24th May 2019

Whole school attendance for last week 20th May 2019 to 24th May 2019

Well done to Class 3 who were last week's top attenders. Remember that attendance is vital to your child's progress let's see if your child's class can be the top attenders next week.
