

05/07/2019

Dear Parents/carers.

Upcoming Events & Activities

Monday 8th July

Year 2 parents meetings at the Junior school 2-3pm & 4-5pm. All year 2 children welcome with parents/carers. This is an opportunity for your child to meet new class teachers.

Tuesday 9th July

Fun Transition day on Junior School

Year 2 pupils will be spending the day over at the junior school with their new class teachers. Children will be having a fun day there will be a bouncy castle ice cream and lots of fun activities. Remember if it is a hot day please apply sun cream and provide a hat.

Nursery to Reception Lunch

Parents of nursery children are invited to come and have lunch with your child. Lunches must have already been pre booked.

Wednesday 10th July

Year 2 lunch day at the junior school all children will be having lunch at the junior school with or without a parent. Parents can only have lunch if it was pre-booked.

Nursery Monkey Madhouse

Nursery children who did not go on the wildlife park trip will be going to Monkey Madhouse.

Thursday 11th July

Change of class day, pupils will spend the day with their new class teacher. School reports will be sent home.

Friday 12th July

Junior school Carnegie performance if parents are taking siblings can you please let the class teacher know and collect at 1.15pm.

Raffle

Thank you to all parents/carers and staff for the lovely raffle prizes we had donated. We raised £363.

Staff changes for September

Thank you to all the parents and carers for attending our transition meetings this week. There will be some staff changes in September.

Mr Jones will be leaving us to go over to the junior school in year 3 and we will be having the lovely Miss Hodgson transferring from the junior school to teach in year 2. Miss Park from year 2 will be taking over class 3 in year 1.

School uniform ordering

As the school year draws to a close can we please urge parents/carers to get uniform orders in early through our online supplier Border Embroideries. For guaranteed delivery for the beginning of the next school year. Orders must be placed by the 21st July.

Nursery

2 Year Olds

This week the 2 year old nursery have been practising their maths skills, they have been shape matching the ice creams recognising the different shapes. They have also been categorising the different coloured animals into the correct coloured bowls.

3 Year Olds

The older 3 year old nursery children have been busy persevering like Peter the Persevering Penguin and writing a letter to the zoo. The children have been persevering to develop their pencil grip and control. The children have been discussing with their key worker and decision which animal from the story would make a good pet and why. The children had a very exciting time at the Carnegie this week. They collaborated to showcase their group performances. We hope you enjoyed it as much as they did. The staff are extremely proud of them.

Reception

This week in reception the children thoroughly enjoyed creating sea side collages in their expressive arts and design lessons. They had to be like Cathy the Capitalising Cat to help with the learning, we got the resources we needed and asked our friends for help when we got stuck. The children have been practicing for the Summer Carnegie and enjoyed performing Beauty and the Beast and The Lion King for all the parents and carers who came to watch. The children have been excited to find out who their new teachers are in September when they go to year II. The children have had their weekly PE lesson with Amy where they loved learning some new skills outside.

Year 1

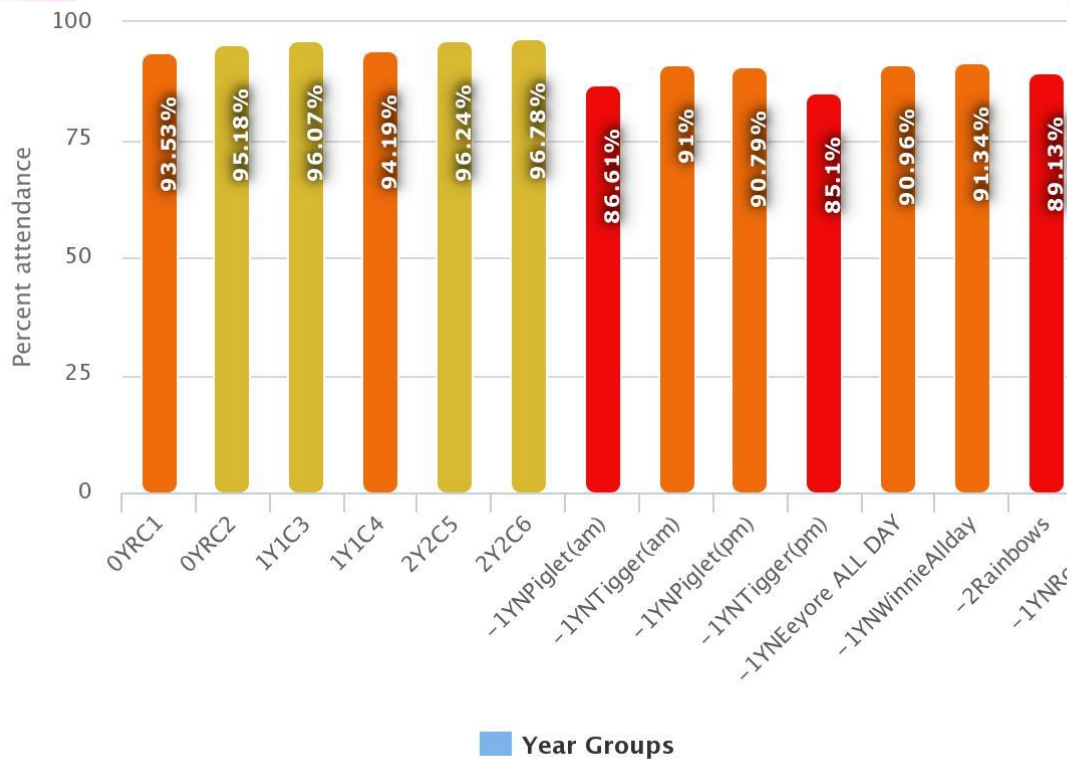

This week Year 1 have continued to be like Quince the Questioning Queen Bee. They have been producing questions to find out lots of different information about Lowther Castle at the beginning of the week. During our trip we collected this information and fed back to each other what we found out in our small groups. The children thoroughly enjoyed their day out at Lowther Castle searching for the dragon they heard in the gardens. They found the Lost Castle Play Park magical! Additionally, all Year 1 staff are very proud of the children. They put a lot of effort into their fantastic performances and continued to Persevere like Peter and kept going, even when they found things difficult. The children have continued their Maths work on positions. They have been explaining their answers to one another or in some cases the whole class. They have been like Ronny the Reasoning Rhino and spotting things that may be wrong with other people's arguments. Well done Year 1 for another fantastic week!

Year 2

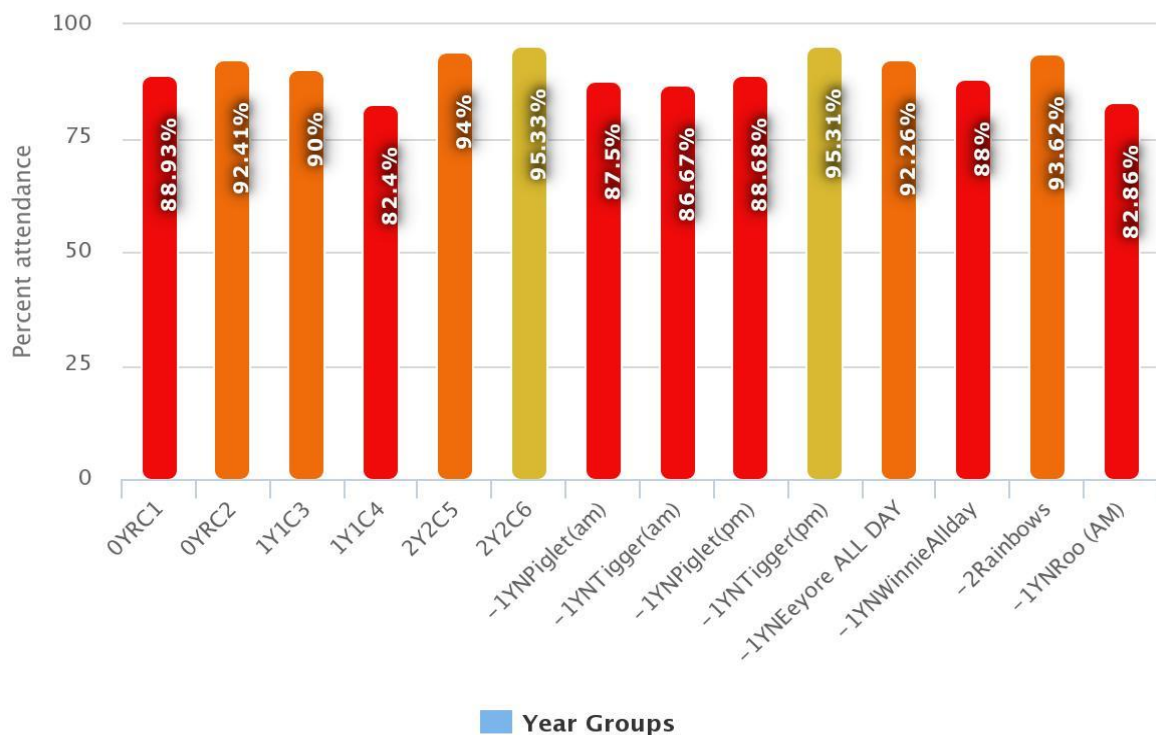

Year 2 have had a busy week! As mathematicians we have begun our new topic about volume, we have been learning to measure the volume of liquids in ml and l. Following on from this we have compared different volumes using the less than, more than and equals symbol, we have also had to use our reasoning skills to explain and justify our answers just like Ronny the Reasoning Rhino. We have been persevering with our Carnegie performance, we performed on Wednesday, it was a super show! During our PE with Ross this week we have been practicing how to correctly hold and use a tennis racket. We are becoming much more confident in the water, we have been practicing our arm and leg movements to correspond with the correct swimming stroke. On Friday a selection of children also successfully represented Victoria Infant School at a cricket tournament.

Whole School Attendance 3rd September - 28th June 2019

Whole school attendance for last week 21st June 2019 to 28th June 2019

Well done to Class 6 who were last week's top attenders. Remember that attendance is vital to your child's progress let's see if your child's class can be the top attenders next week.

Powerful Learner of the week
